

EC Certificate of Factory Production Control

1224-CPD-0273

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Trussed Rafters

for the intended use as

Prefabricated structural members assembled with punched metal plate fasteners
produced by the manufacturer

Truss Form Ltd
Hollins Bridge
Burnley Road East
Waterfoot, Rossendale
Lancashire
BB4 9JR

in the factory at the above address

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body **BM TRADA Certification Ltd** has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

BS EN 14250:2010

were applied.

Particular conditions applicable to the use of the product are given in additional information available from the manufacturer or their agent.
